OPAL recognizes outstanding ***civil engineering leaders*** whose lifetime accomplishments and achievements have made significant differences in one of five categories: Design, Construction, Government, Education and Management. Using bullets, describe your candidate's connection to civil engineering (e.g. degrees in civil engineering; professor of civil engineering; other relationship to the practice of civil engineering).

Nominated by: _____
(Signed) (Print)

Date: _____ Email: _____

From the Award's rules: A candidate must be living at the time of selection. In the event a candidate passes away during the review process, the candidate's nomination package will be removed from consideration. If the candidate is selected to receive the award and dies prior to presentation of the award, the candidate will receive the award posthumously.

Describe the nominee's qualifications for the OPAL Award in your #1 category.

DEADLINE: June 1

Submit electronically to awards@asce.org

A nomination package should include the following:

- A cover letter, signed by the nominator
- A completed OPAL Nomination form, signed by the nominator
- Minimum of two reference letters
- The nominee's CV or biographical information

The entire package should not exceed 12 pages
