AMERICAN SOCIETY OF CIVIL ENGINEERS

SPONSORSHIP & EXHIBIT OPPORTUNITIES

Conference/Event	Topics/Demographics	Number of Attendees	Call for Presentations Deadline
<p>ASCE Legislative Fly-In www.asce.org/advocacy/legislative-fly-in March 26-29, 2025 Washington, DC</p>	<p>ASCE members involved in domestic public policy and advocacy work, members of the ASCE Public Policy and Practice Committee, as well as the constituent policy committees.</p>	250	N/A
<p>Structures Congress www.structurescongress.org April 9-11, 2025 Phoenix, Az</p>	<p>Structural, construction, bridge, building, and research engineers, owners, presidents, CEOs, technical staff, senior and middle management, academia, and students.</p>	700	June 5, 2024
<p>AEI Conference www.aei-conference.org April 13-16, 2025 Kansas City, MO</p>	<p>Architects, engineers, and contractors who are at the forefront of designing and constructing future-ready buildings. Researchers and educators who are driving cutting-edge advancements in building technologies. Building owners, technology providers, and other influential stakeholders who play a crucial role in the integrated approach to resilient and sustainable building design.</p>	350	September 13, 2024
<p>World Environmental & Water Resources Congress www.ewricongress.org May 18-22, 2025 Anchorage, AK</p>	<p>Academics, engineers, corporate decision makers, engineering and consulting firms, federal and municipal researchers engaged in environmental and water resources engineering disciplines, government and military agencies, and resource management organizations.</p>	900	September 18, 2024
<p>PORTS Conference www.portsconference.org June 1-4, 2025 Providence, RI</p>	<p>An international audience of port, harbor, waterway, and marine professionals who come to share their knowledge and learn from the experiences of others.</p>	900	March 20, 2024
<p>International Conference on Transportation & Development (ICTD) and International Airfield and Highway Pavements Conference (Pavements) www.asce-ictd.org June 8-11, 2025 Glendale, AZ</p>	<p>Federal, state, and local transportation departments, private industry, and research institutes, emerging technologies, transportation safety, highway and airfield pavements, traffic operations, infrastructure systems, sustainable transport, planning and development, and rail transport.</p>	800	October 16, 2024

SPONSORSHIP & EXHIBIT OPPORTUNITIES

Conference/Event	Topics/Demographics	Number of Attendees	Call for Presentations Deadline
<p>ASCE Civil Engineering Student Championships www.asce.org/communities/student-members/conferences/asce-civil-engineering-student-championships June 27-29, 2025 California Polytechnic State University, San Luis Obispo</p>	<p>ASCE society-wide finals events for college students and teams competing in disciplines of Concrete Canoe, Surveying, and Sustainable Solutions competitions. The event will bring students and teams from universities all around the world.</p>	400	N/A
<p>Pipelines Conference www.pipelinesconference.org August 9-13, 2025 Tampa, FL</p>	<p>The premier industry event for utility and pipeline owners, design and consulting engineers, contractors, manufacturers, suppliers, and pipeline professionals.</p>	1,100	October 1, 2024
<p>Electrical Transmission Substations (ETS) www.etsconference.org September 14-18, 2025 Dallas, TX</p>	<p>Triennial conference on the analysis, design, construction, and maintenance of electrical transmission line, and substation structures and foundation for utilities, engineers, suppliers, contractors, consultants, and industry professionals.</p>	1,600	September 9, 2024
<p>ASCE Convention www.convention.asce.org October 8-11, 2025 Seattle, WA</p>	<p>Leaders in the civil engineering industry, including corporate decision makers, CEOs, presidents and owners, senior and mid-level engineers, and academics, students, and researchers.</p>	800	January 8, 2025
<p>Geo-Extreme geo-extreme.org November 2-5, 2025 Long Beach, CA</p>	<p>A multi-disciplinary forum to discuss how the geo-engineering community can work with other professionals, e.g., climate scientists, engineers, emergency managers, resilience and sustainability investigators, insurance experts, and policy makers, to properly cope with extreme events (such as hurricanes, floods, extreme precipitations, droughts, wildfires, debris flows, earthquakes, tsunamis, landslides) under a changing climate.</p>	300	November 1, 2024
<p>Regions 1, 2, 4, 5 Multi-Region Leadership Conference www.asce.org/education-and-events/events/meetings/2025-mrlc-1-2-4-5 January 8-10, 2026 Jacksonville, FL</p>	<p>Workshop for Section, Branch, and Institute Leaders (Includes Society Directors and Region Governors)</p> <ul style="list-style-type: none"> •Eastern Region Younger Member Council •Workshop for Student Chapter Leaders 	400	N/A
